

# REQUIRED: Quiz Resources

Please finish the following project on IPFS prior to attempting the quiz. The quiz will feature compulsory questions based on the assignment.

**[Course 4 Project.pdf](#)**

[PDF File](#)

The PDF describes the steps you will need to take to install IPFS on your machine and get started.

The project will require you to work on the following three files. Please DO NOT make any changes to these files and use them as they are provided. Any changes in these files will reflect as changes in the hash and lead to a wrong answer.

**[myfile1](#)**

[TXT File](#)

**[myfile2](#)**

[TXT File](#)

Download the files given above and follow the instructions in the given PDF and answer questions in the quiz.
