We wish to thank all those who contributed so much talent for the development and production of this courses. Special appreciation is extended to University at Buffalo's Schools of Engineering & Applied Sciences and Computer Science for its technical guidance, support and production. Special appreciation is also extended to Wikipedia for accommodating our team with its resources.

Additionally, we wish to thank John Wolpert and ConsenSys for participating in the courses.

Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek. – Barack Obama
