

(Optional) Resources: Microsoft Azure

Week 1, Lesson 5 Resources: Microsoft Azure

The following resources were selected to provide an overview of the topic of Microsoft Azure. We would like to acknowledge the authors of the various web articles, videos, and papers for their insightful discussions and analytics which help formed the basis for some sections of the lessons and modules.

Title of resource: [What is Microsoft Azure, Anyway?](#)

Resource type: Website

Description: If you've followed Microsoft news, there's a good chance you've heard of Microsoft Azure, formerly known as Windows Azure. This cloud computing service is a big part of Microsoft's business, and it competes with similar services from Amazon and Google.

Title of resource: [Tour of Microsoft Azure](#)

Resource type: Video (3:09)

Description: An overview video of Microsoft Azure and what you can do.

Title of resource: [Simplifying blockchain app development with Azure Blockchain Workbench](#)

Resource type: Website

Description: This week, developers from around the world join us at our annual Microsoft Build conference to hear about the latest in technology innovation. Blockchain remains a key topic of interest.
